Agreement of concert and shareholding structure of InBev :

- 6) Sébastien Holding is controlled by Rayvax Société d'Investissements.

6. Additional information :

- 1) Certificates issued by Stichting InBev (administratiekantoor): EPS owns 180.000.000 certificates which entitle it to 180.000.000 InBev shares. BRC owns 147.700.000 certificates which entitle it to 147.700.000 InBev shares. Although these certificates correspond to the definition of assimilated financial instruments, they have not been included since they would have been added to the InBev shares owned by EPS & BRC, which would have resulted in counting twice the same voting rights of EPS & BRC.
- 2) The private persons jointly owning the ultimate control of BRC will make the notification on behalf of the entities exercising the intermediary control above BRC, according to article 11, §1 of the law of 2 May 2007. It should be noted that none of these entities directly holds InBev shares. Since a large number of entities exercise an intermediary control of BRC without nevertheless holding a participation in InBev, these entities have not been included in the table above, but in a separate table which is available on www.inBev.com/investors/overview
