7. Additional information:

- 1) Certificates issued by Stichting Anheuser-Busch InBev (administratiekantoor): EPS currently owns 364.351.200 certificates which potentially entitle it to 364.351.200 Anheuser-Busch InBev shares. BRC currently owns 357.988.615 certificates which potentially entitle it to 357.988.615 Anheuser-Busch InBev shares. Although these certificates correspond to the definition of assimilated financial instruments, they have not been included since they would have been added to the Anheuser-Busch InBev shares owned by EPS & BRC, which would have resulted in counting twice the same voting rights of EPS & BRC.
- 2) The private persons jointly owning the ultimate control of BRC will make the notification on behalf of the entities exercising the intermediary control above BRC, according to article 11, §1 of the law of 2 May 2007. It should be noted that none of these entities directly holds Anheuser-Busch InBev shares. Since a large number of entities exercise an intermediary control of BRC without nevertheless holding a participation in Anheuser-Busch InBev, these entities have not been included in the table above, but in a separate table which is available on www.ab-inBev.com.
