AB InBev in Active Discussions to Sell JV Interest to Partner

22 April 2022 – Anheuser-Busch InBev (Euronext: ABI) (NYSE: BUD) (MEXBOL: ANB) (JSE: ANH) (“AB InBev”) today announced that it will sell its non-controlling interest in the AB InBev Efes joint venture and is in active discussions with its partner, Turkish Brewer Anadolu Efes, to acquire this interest. Together with its partner, AB InBev continues to support its employees, their families and the humanitarian relief efforts in Ukraine. Support for its displaced employees and their families includes counseling, housing and financial support. In addition to donating to NGOs and the relief organization Caritas, AB InBev is working in partnership with them, other companies and local NGOs to provide food, blankets, medical supplies and 3 million cans of emergency drinking water to Ukraine and surrounding refugee relief areas.

AB InBev has also introduced Chernigivske, Ukraine’s most loved beer brand, to many countries, including the UK, Germany, Belgium, France, Netherlands, Denmark, Austria, Poland, Italy, Colombia and Brazil with additional markets planned. All profits from the sale of Chernigivske will go to support humanitarian relief efforts and AB InBev is guaranteeing at least 5 million USD of support from this humanitarian initiative.

AB InBev’s focus remains on assisting its people, their families and the overall humanitarian relief efforts while wishing for peace.
