(c) Modification to Article 25 – Admission to Shareholders’ Meetings

Proposal to replace Article 25 as follows:

“a) Conditions of admission to Shareholders’ Meetings

In order to have the right to participate in and vote at the Meeting, shareholders must:

(i) have the ownership of their shares recorded in their name, as at midnight Central European Time on the fourteenth (14th) calendar day preceding the date of the Meeting (the “record date”):

- through registration in the register of the registered shares of the company, for holders of registered shares; or
- through book-entry in the accounts of an authorised account holder or clearing organisation, for holders of dematerialised shares.

Holders of bearer shares must first convert their bearer shares into registered or dematerialised shares;

and

(ii) notify the company (or the person designated by the company) by returning a signed original paper form or, if permitted by the company in the notice convening the Shareholders’ Meeting, by sending a form electronically (in which case the form shall be signed by means of an electronic signature in accordance with applicable Belgian law), at the latest on the sixth (6th) calendar day preceding the day of the Meeting, of their intention to participate in the Meeting, indicating the number of shares in respect of which they intend to do so. In addition, the holders of dematerialised shares must,

at the latest on the same day, provide the company (or the person designated by the company), or arrange for the company (or the person designated by the company) to be provided, with an original certificate issued by an authorised account holder or a clearing organisation certifying the number of shares owned on the record date by the relevant shareholder and for which it has notified its intention to participate in the Meeting.

An issuer of certificates relating to registered shares must notify its capacity of issuer to the company, which will record such capacity in the register of such shares. An issuer which refrains from notifying this capacity to the company can only vote at a Shareholders' Meeting if the written notification indicating its intention to participate in that Shareholders' Meeting specifies its capacity of issuer.

An issuer of certificates linked to dematerialised shares must notify its capacity of issuer to the company before exercising any vote, at the latest through the written notification indicating its intention to participate in the Shareholders' Meeting, failing which such shares cannot participate in voting.

b) Proxies and powers of attorney

Any shareholder with the right to vote may either personally participate in the Meeting or give a proxy to another person, who need not be a shareholder, to represent it at a Shareholders' Meeting.

A shareholder may designate, for a given meeting, only one person as proxy holder, except in circumstances where Belgian law allows the designation of multiple proxy holders.

The appointment of a proxy holder may take place in paper form or electronically (in which case the form shall be signed by means of an electronic signature in accordance with applicable Belgian law), through a form which shall be made available by the company. The signed original paper form or electronic form must be received by the company at the latest on the sixth (6th) calendar day preceding the date of the Meeting.

Any appointment of a proxy holder shall comply with relevant requirements of applicable Belgian law in terms of conflicting interests, record keeping and any other applicable requirement.

c) Formalities for admission

Prior to the Meeting, the shareholders or their proxies are required to sign an attendance sheet, indicating their first name, last name, and place of residence or corporate denomination and registered office, as well as the number of shares in respect of which they are participating in the Meeting. Representatives of legal entities must provide the documents evidencing their capacity as bodies or special proxy holders.

The natural persons, shareholders, bodies or proxy holders who take part in the Shareholders' Meeting must be able to prove their identity.

d) Other securities

The holders of profit sharing certificates, non-voting shares, bonds, subscription rights or other securities issued by the company, as well as the holders of certificates issued with the assistance of the company and representing securities

issued by the latter, may participate in the Shareholders' Meeting insofar as the law entitles them to do so, and, as the case may be, gives them the right to participate in voting. If they propose to participate, they are subject to the same formalities concerning admission and access, and forms and filing of proxies, as those imposed on the shareholders."

(d) Modification to Article 26B/S – Vote by correspondence

Proposal to rename Article 26B/S "REMOTE VOTING BEFORE THE SHAREHOLDERS' MEETING" and to replace it as follows:

"Any shareholder may vote remotely before the Meeting, by sending a paper form or, if permitted by the company in the notice convening the Shareholders' Meeting, by sending a form electronically (in which case the form shall be signed by means of an electronic signature in accordance with applicable Belgian law), through a form which shall be made available by the company.

The original signed paper form must be received by the company at the latest on the sixth (6th) calendar day preceding the date of the Meeting. Voting through the sending of the signed electronic form may occur until the calendar day before the date of the Meeting.

The company may also organise a remote vote before the Meeting through other electronic communication methods, such as, among others, through one or several Web sites. It shall specify the practical terms of any such remote vote in the convening notice.

The company will ensure that, when arranging remote electronic voting before the Shareholders' Meeting, either through the sending of an electronic form or through other electronic communication methods, the company is able, through the system used, to control the identity and capacity as shareholder of each person casting a vote electronically.

Shareholders voting remotely, must, in order for their vote to be taken into account for the calculation of the quorum and voting majority, comply with the conditions set out in Article 25."

(e) Modification to Article 28 – Deliberations

Proposal to rename Article 28 "AGENDA AND DELIBERATIONS" and to replace the first paragraph with the following paragraphs:

"The Shareholders' Meeting may deliberate only the business on its agenda.

One or more shareholders representing at least 3% of the capital of the company may request for items to be added to the agenda and submit resolution proposals in relation to existing agenda items or new items to be added to the agenda provided that they prove holding of such shareholding as at the date of their request by, as far as registered shares are concerned, a certificate evidencing the registration of the shares in the register of shares of the company or, as far as dematerialised shares are concerned, by a certificate issued by an authorised account holder or a clearing organisation certifying the book-entry of the shares in one or several accounts held by such account holder or clearing organisation.

Such right shall not be available in relation to a second extraordinary Shareholders' Meeting that is convened for lack of a quorum at the first extraordinary Shareholders' Meeting.

The new agenda items and/or resolution proposals should be received by the company in signed original paper form or electronically (in which case the form shall be signed by means of an electronic signature in accordance with applicable Belgian law), at the latest on the twenty-second (22nd) calendar day preceding the date of the Shareholders' Meeting and the company shall publish a revised agenda at the latest on the fifteenth (15th) calendar day preceding the date of the Meeting.

The handling of such new agenda items and/or resolution proposals during the Meeting is subject to the relevant shareholder(s) having satisfied, with respect to shares representing at least 3% of the capital, the conditions set forth in Article 25, a), (i) and (ii)."

Shareholders wishing to participate in such Meeting shall fulfil the admission conditions set out in Article 25 a). To this effect, a record date shall be set on the fourteenth (14th) calendar day at midnight Central European Time preceding the date of the second Meeting.”
