As the global market leader, AB InBev connects in new ways to drive growth

We win through growing our share of throat and the category by:

- Connecting with new consumers
- Connecting through new innovations
- Connecting with new media
- Connecting in new markets

3Q 2009 highlights

### Broad market share gains driven by Focus Brand strategy execution

- Year to date, we gained market share in 5 of our key markets: Argentina, Belgium, Brazil, the UK and the US, and maintained market share in the Ukraine.
- In Brazil, we ended October with a 70.6% market share, up from 67% at the beginning of 2009.
- Market share gains achieved in countries representing approximately 65% of our volumes.
- Focus Brand volumes increased 0.4%, with third quarter growth led by Antarctica, Brahma and Skol in Brazil, Harbin and Budweiser in China, and Stella Artois in the UK. In 9M09, Focus Brands grew 1.6%

4Q and 2009 outlook

- **Improved volume performance**
  - Demand trends remain soft, but we see improved volume performance in 4Q09 compared with 3Q09 year-over-year results

- **Cost of Sales per hectoliter**
  - Projected to decline slightly percentage-wise for 2009 in total

- **Increased sales and marketing investment**
  - Further step up at a rate above that of the third quarter, as we fund new product launches and drive Focus Brand growth

- **Higher administrative expenses**
  - Reflects higher accruals for variable compensation compared to 2008, when most Zones reversed accruals as a result of business performance in that period

- **Tougher synergy comparison**
  - $875 million delivered in 9M09
  - Tougher comparison in the fourth quarter as we lap $250 million of synergies achieved in the second half of 2008

- **EBITDA margin expansion**
  - Fourth quarter EBITDA growth in line with the third quarter
On track to achieve our 2009 commitments
