NOTES

Cautionary note regarding forward-looking statements

This press release contains “forward-looking statements”. These statements are based on the current expectations and views of future events and developments of the management of AB InBev and are naturally subject to uncertainty and changes in circumstances. The forward-looking statements contained in this release include statements relating to AB InBev’s proposed acquisition of SABMiller (including with respect to the expected timing and scope of these transactions), the expected effects of the Listing on AB InBev, the expected timing and scope of the Listing and other statements other than historical facts. Forward-looking statements include statements typically containing words such as “will”, “may”, “should”, “believe”, “intends”, “expects”, “anticipates”, “targets”, “estimates”, “likely”, “foresees” and words of similar import. All statements other than statements of historical facts are forward-looking statements. You should not place undue reliance on these forward-looking statements, which reflect the current views of the management of AB InBev, are subject to numerous risks and uncertainties about AB InBev and SABMiller and are dependent on many factors, some of which are outside of AB InBev’s control. There are important factors, risks and uncertainties that could cause actual outcomes and results to be materially different, including the satisfaction of the pre-conditions and the conditions to the transactions described herein, the ability to obtain the regulatory approvals related to the transactions and the ability to satisfy any conditions required to obtain such approvals, and the risks relating to AB InBev described under Item 3.D of its Annual Report on Form 20-F (“Form 20-F”) filed with the US Securities and Exchange Commission (“SEC”) on 24 March 2015. Other unknown or unpredictable factors could cause actual results to differ materially from those in the forward-looking statements. There can be no certainty that the proposed transactions will be completed on the terms described herein or at all.

The forward-looking statements should be read in conjunction with the other cautionary statements that are included elsewhere, including AB InBev’s most recent Form 20-F, reports furnished on Form 6-K, and any other documents that AB InBev or SABMiller have made public. Any forward-looking statements made in this communication are qualified in their entirety by these cautionary statements, and there can be no assurance that the actual results or developments anticipated by AB InBev will be realized or, even if substantially realized, that they will have the expected consequences to, or effects on, AB InBev or its business or operations. Except as required by law, AB InBev undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

Future SEC Filings and This Filing: Important Information

In the event that AB InBev and SABMiller implement a transaction relating to the acquisition of SABMiller by AB InBev, AB InBev or Newco (a Belgian limited liability company to be formed for the purposes of such transaction) may be required to file relevant materials with the SEC. Such documents, however, are not currently available. INVESTORS ARE URGED TO READ ANY DOCUMENTS REGARDING SUCH POTENTIAL TRANSACTION IF AND WHEN THEY BECOME AVAILABLE, BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION. Investors will be able to obtain a free copy of such filings without charge, at the SEC’s website (<http://www.sec.gov>) once such documents are filed with the SEC. Copies of such documents may also be obtained from AB InBev, without charge, once they are filed with the SEC.

Notice to US investors

US holders of SABMiller shares should note that the steps of any transaction requiring approval by SABMiller shareholders may be implemented under a UK scheme of arrangement provided for under English company law. If so, it is expected that any shares to be issued under the transaction to SABMiller shareholders would be issued in reliance upon the exemption from the registration requirements of the US Securities Act of 1933, provided by Section 3(a)(10) thereof and would be subject to UK disclosure requirements (which are different from those of the United States). The transaction may instead be implemented by way of a takeover offer under English law. If so, any securities to be issued under the transaction to SABMiller shareholders will be registered under the US Securities Act, absent an applicable exemption from registration. If the transaction is implemented by way of UK takeover offer, it will be done in compliance with the applicable rules under the US Exchange Act of 1934, including any applicable exemptions provided under Rule 14d-1(d) thereunder.

This filing shall not constitute an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any sale of securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. No offering of securities shall be made except by means of a prospectus meeting the requirements of Section 10 of the Securities Act of 1933, as amended.
