Dear Sirs,

We would like to thank you for choosing Intertrust. You can rely on us to develop the most suitable global solutions with you, tailored to your personal needs.

Many rules and regulations surround our business. As professionals, we claim our expertise, yet work in close collaboration with yourself and your advisors to ensure the long term success of the enterprise.

This engagement letter (the “Letter”), together with the General Terms and Conditions (the “Terms”), which are attached to this Letter as Annex I, sets out the basis for our relationship with the Client and AB InBev and the services we will provide. As our business has a global character we have drafted this Letter in such a way that when the Client needs our services in other jurisdictions, the Client need only sign an addendum to this Letter.

The provisions of this Letter should be read together with the Terms. All services as set out in this Letter, including any ancillary services, are subject to the applicable Terms. If there is any inconsistency between the Terms and this Letter, this Letter will prevail in relation to our engagement and capitalized terms used in this Letter shall have the meaning as defined in the Terms.

**Intertrust services**

Our services are designed to help you realize your goals. You have requested us to provide various corporate services in relation to the Company, the details of which are further available in the Services Schedule attached hereto as Annex II (the “Services”).

The parties agree that it is intended that until Completion of the Transaction, the Company does not hold any assets (other than the SABMiller Shares acquired pursuant to the UK Scheme and the statutory minimum share capital), trade or otherwise conduct any business other than certain specific actions necessary for the implementation of the Transaction or the Listings. Accordingly, Intertrust shall not carry out any services in respect of the Company other than the Services and shall not carry out the Services in a manner inconsistent with that specified in Annex II, in each case without the prior written consent of both the Client and AB InBev.
This letter supersedes, cancels and replaces the Short-Form letter which was signed between Intertrust Belgium and the Client on 2 March 2016.

**Intertrust fees**

Some of our Services have a fixed fee; others have variable fees calculated on an hourly basis. The Fee schedule attached hereto as Annex III provides an overview of both the fixed fees and the variable fees.
